
TP4

Support:Mini_stepper

Purpose : Drawing a complex assembly.

Procedure :

- From the resource elements of practical worksheet N°4, draw up the mini-stepper. To do this, download the mep_tp4.zip file in the p:\catia\mise_en_plan\tp4\ directory, then extract it.
 - Open the mini_stepper.CATProduct file using Catia V5.
- This file contains small assembly errors, make the necessary modifications.
