
TP3a

Support: **Hydraulic Clamp**

Purpose : Draw an exploded view

Procedure :

- From the resource elements of practical work sheet N°3a, make the 2 drawings of the hydraulic_flange.
- To do this, download the mep_tp3a.zip file in the p:\catia\mise_en_plan\tp3a\ directory, then extract it.
- Open the file flange_hydraulique.CATProduct using Catia V5
