## TP2a

### Support:Hydraulic Clamp

**Purpose :**Drawing a simple set

**Procedure :**

- From the resource elements of practical work sheet N°2a, draw up the Hydraulic flange. To do this, download the mep\_tp2a.zip file in the p:\catia\mise\_en\_plan\tp2a\ directory, then extract it.
- Open the file flange\_hydraulique.CATProduct using Catia V5
